

**WANT TO SHARE YOUR HELLO BISTRO ADDICTION?
THERE'S NO BETTER WAY TO SHARE THE WEALTH
THAN WITH YOUR VERY OWN SALAD BAR!**

If you have 10 or more mouths to feed (hopefully only one of them is your own), then you're in luck! Give us a day's notice, and we can provide the salad of your dreams – choose from one of our creations or, if your group is feeling ambitious, build an in-house salad bar of your own choosing. Ta-da! Suddenly, you're the man (or woman) of the hour. You can thank us later.

And don't worry; we've got all the details under control – we'll bring the napkins, utensils, and serving bowls. You bring a flat surface (anything will do — table, counter, hoverboard, whatever) and a healthy appetite. We'll do the rest.

What's the catch? Well, Rome wasn't built in a day – but our salads can be. We need 24-hours notice for all catering orders.

Orders can be picked up at our takeout station or delivered directly to you.
